Decision has to be made by next board meeting

CBLD 101- better for Tara and any new board members to come

May 5 Raleigh

May 20 Arlington

-best to send new members to this over CCMA

Board Visioning:

Board Project- money earmarked to use for project for new store

Going forward, committee needs to work on the process for future giving

-Endowment

Point made to make sure we have a process in place for next year to accept entries

Charitable money doesn't have be used until March 31, 2018

-Eric sent an email for an idea with working with GM to create a position to focus solely on education and really forming partnerships with places like schools

Doug Brown- from Community Action Group- he spoke about his relationship with Ever'man- over 300 seniors given gift card to seniors

-they are looking for different opportunities for seniors

-he is speaking about how education person has not come to them- though they have had \$30,000 go to Ever'man- he is saying that the position does seem overworked- and he is so pleased to hear that the board wants to build this position

Lynn told story when she used to teach at OJ Semmes and Ever'man supported a garden there- and children were thrilled to work in the garden

Headstart Program – 965 kids- Doug gave information about how he is trying to get better food and education about diets to the population he works with

Discussion about grants- William pointed out that Ever'man may not be able to accept grant money

-possibly just supporting grant money for organizations that we partner with

Cooking Classes: Eric brought up themed cooking classes

-Kelly brought up the farm to table dinner down Palafox and how fast it sold out

Dave pointed out that

Eric pointed out that with new store coming having this position and these partnerships makes us different than Publix, etc.
